SEDAN (UNION COUNTY), NEW MEXICO

By: Regina Joyce Christerson Smith

This book was compiled and published covering many facets of life in Sedan, Union County, New Mexico. It is comprised of many lists, such as graduation, school, church, and many references to the families that lived in the area. It contained over 7000 names, and is a very important tool for researchers of New Mexico history and genealogy. But it was not indexed and was very difficult to use for that reason.

The Genealogy Club of Albuquerque has undertaken the work of indexing many of these books that are of great value to genealogists and has indexed this book. The book proper is located at the Special Collections Library, 423 Central Avenue, NE, Albuquerque, New Mexico.

NOTE: A name appearing on multiple sequential pages is indicated by a hyphen in the number, such as, 3-7 indicates the name appears on each inclusive page in the sequence. The researcher is also advised to check the entire page for multiple entries.
